

!! GIFT TEAM SPECIAL NEWS EXTRA !!

CHAT is a local charity based in Tiverton. An essential public benefit and relief to those in times of need. St John's school GIFT team recently spent the afternoon with some amazing people.

When they took the Harvest Liturgy donations brought in from parents and carers within the St John's family, they learnt about the selfless kind acts of volunteers that are helping to build a stronger community. After a tour around the building, the pupils spent time packing food items and supplies for a family who will benefit from this service.

Not only do they provide food and supplies, they also have an area to sit down to talk to people about financial or housing worries amongst other concerns. By appointment, the homeless can go in to use the facilities where they can have a shower. A volunteer will wash and dry their clothes for them, provide clean, dry bedding, alongside supplying food items etc. Another benefit is that they have a selection of school uniforms. For example, those with older children in the High school can pick up a pre-loved blazer should they not have the means to purchase one themselves. We would like to take this opportunity to Thank everyone involved at CHAT for such a poignant afternoon.

God Bless
